Days of War
Nights of Love
CRIMETHINK FOR BEGINNERS
"Less of a novel and more of an exploded manifesto, this might be just what we need. Glorious, even for the most cynical reader. What more can we ask from a book?"
–Clamor Magazine
"A manifesto for building a new world that should be on the bookshelf of every idealist, student, punk rocker, worker and ex-worker, poet, and lover."
—Hodgepodge
